NYSPSP

NYS PREFERRED SOURCE PROGRAM FOR NEW YORKERS WHO ARE BLIND

Our Vision Is Working

Dear Valued Customer:

State agencies, public benefit corporations, K-12 schools, SUNY and local governments are required by New York State Finance Law to purchase approved products and services through the New York State Preferred Source Program (NYSPSP) for People Who Are Blind.

The nine nonprofit agencies affiliated with NYSPSP directly create jobs for 450 employees who are blind, including a significant number of women minorities.

These jobs pay an average hourly wage higher than the New York State minimum wage, and include benefits such as medical and dental insurance, pensions, and paid time off for vacation and sick leave.

Employees receive vocational rehabilitation and training to equip them for rewarding jobs and the opportunity to achieve economic independence and career advancement.

Our network of nonprofit organizations across the state partners with NYSPSP to provide employment opportunities for New Yorkers who are blind through the production and quality of goods and services. These citizens are employed in a variety of positions ranging from machine operators and packing clerks, to call center representatives and supervisors.

The total annual economic impact of our agencies on New York State is more than \$168 million, reflecting \$88.3 million in direct sales as well as \$80 million in spinoff economic activity. That means every \$100 in sales of products and services provided by people who are blind supports \$90 in additional household spending across New York State.

Your purchase also helps to fund vital vision rehabilitation programs that serve New Yorkers who are blind. As a result, our agencies enable people who are blind to lead more productive lives, pay taxes, help support families and join the American work experience.

On behalf of our employees throughout the state of New York, we thank you for your support. We look forward to continuing to serve you and showing you that "Our Vision is Working."

NEW YORK STATE PREFERRED SOURCE LAW

New York State's "Preferred Source" program, codified in Section 162 of the New York State Finance Law, was established to provide meaningful employment opportunities for New Yorkers who are blind.

Under this statute, state agencies, political sub-divisions, school districts, fire protection districts and public benefit corporations are mandated to purchase, without competitive bidding, commodities and services "produced, manufactured or assembled" by New Yorkers who are blind.

TO CREATE DIVERSE EMPLOYMENT OPPORTUNITIES AND UPWARD MOBILITY FOR NEW YORKERS WHO ARE BLIND.

NYS OFFICE OF GENERAL SERVICES REQUIRED PURCHASING PROCESS

STEP

1

PREFERRED SOURCES

Preferred Sources must be considered first. State agencies, cities, towns, municipalities, school districts, political sub-divisions and public benefit corporations are required to purchase from Preferred Sources first, if we meet their "form, function and utility." Please contact them when looking for any product or service or refer to the OGS website for approved offerings.

STEP

2

NYS CENTRALIZED CONTRACTS

After determining a product or service is not available through Preferred Source, use New York State centralized contracts.

STEP

3

OPEN MARKET

When a need cannot be met by the Preferred Sources or Centralized Contract you can conduct a competitive solicitation, including contracting with MWBE's (minority, women owned businesses).

PURCHASING...

FAST, EASY AND **ECONOMICAL**

NYSPSP for People Who Are Blind was established under the authority of the NYS Office of Children & Family Services (OCFS)/New York State Commission for the Blind (NYSCB) to act as the central organization for managing orders under the New York State Preferred Source Program. State and local agencies are required by law to purchase products and services that appear on the Preferred Source List through NYS Office of General Services. WWW.OGS.NY.GOV

SAVES MONEY AND TIME ON BIDDING

Since the pricing for our products and services has been reviewed and pre-approved by the New York State Office of General Services, competitive bidding requirements are not required, saving you valuable time and effort.

EASY ORDERING ONLINE AT

WWW.NYSPSP.ORG

You can set up an account and order online through our website: www.NYSPSP.org or call 1-800-421-9010 or email customercare@nyspssp.org. NYSPSP for People Who Are Blind accepts Visa and MasterCard or approved purchase orders. All standard orders will be filled within five business days after receipt of the order.

BENEFITS NEW YORK BUSINESSES AND TAXPAYERS

By purchasing goods and services from NYSPSP and its nine affiliated nonprofit member agencies, you help provide employment and vital services for New Yorkers who are blind. In turn, these employees spend the majority of their wages in the State of New York, improving the state economy, increasing the state tax base, and decreasing the need for public assistance - a win-win situation for New York.

WWW.OGS.NY.GOV

NYSPSP receives NO state subsidies.
Program sales are the sole revenue source.

ORDERING INFORMATION

General Procedures

NYSPSP processes all orders and invoices on behalf of its affiliated agencies, where the goods and services are produced and shipped to you. Orders, inquiries or payments will not be accepted by our affiliated partners.

All orders must be placed in writing and must include:

- An assigned purchase order number from the ordering facility
- An authorization signature
- A complete delivery address if different from the billing address
- Accurate item numbers and brief descriptions of the commodities ordered
- A contact telephone number and email address
- Any special shipping or receiving instructions

Procurement and Credit Card Orders

NYSPSP accepts MasterCard and Visa credit cards for payment. Orders to be paid by these cards will be accepted by telephone, fax, regular mail or e-mail, and must include the purchaser's name, account number and expiration date in addition to the ordering information shown above.

NOTE: FREE shipping with all credit card orders

Using the Web to Simplify Ordering

Many NYSPSP customers use our on-line system to create their order on the site, listing item numbers, item descriptions and pricing, and then print it out for convenience in preparation of their normal purchase order.

If you have any questions about the on-line application or authorization process, please contact NYSPSP at 518-621-0605, 800-421-9010, or by e-mail at customercare@nyspssp.org.

Pricing

Pricing is subject to change without notice upon action of the New York State Office of General Service. The prevailing price shall be that in effect upon receipt of a purchase order. Printed price lists are published periodically as a guide. Please go to www.nyspssp.org for the most recent commodity and pricing information available.

Shipping

All standard orders will be filled within 5 business days after receipt of the order. Normal delivery is to the ordering facility's door or loading platform. Inside delivery and pre-notification of delivery are normally available at extra charge and must be requested at the time of the order. Inside delivery requiring special handling must be specifically provided for in the order, or NYSPSP can not be held responsible for the carrier's refusal to make delivery. Extra charges caused by inadequate delivery instructions or by refusal to accept legitimate deliveries will be billed to the ordering facility. Please contact this office prior to placing your order if you have any questions regarding shipping. If our truck arrives with a delivery and there needs to be extra services provided (inside delivery, lift gate, etc.), we will charge for those services. Please advise when placing the order if these services will be needed.

Merchandise Returns

All merchandise is guaranteed free of defects and to provide satisfactory service under normal usage. All defective merchandise will be credited or replaced upon return.

No merchandise will be accepted for return later than 45 days after date of delivery. Please check all shipments upon delivery for quantity, quality and accuracy.

No return merchandise will be accepted at the offices of NYSPSP, which have no loading dock and no receiving facilities. If merchandise is to be returned for any reason, you must contact our office for authorization and shipping instructions for return to the point of origin.

Charges for returning merchandise ordered in error by the ordering facility will be borne by the customer, and will include a restocking charge. Custom-imprinted or specially-manufactured items will not be accepted for return. The charges for return of merchandise shipped in error by NYSPSP will be borne by NYSPSP. Please notify this office immediately of any item or quantity discrepancies in shipments to facilitate corrective action.

Billing

Payment terms are net 30 days from the date of invoice. All billings will be rendered by and payable to NYSPSP, regardless of the origin of the shipment. Please note that payment is not to be made on the basis of packing slips. Remit payment to:

CONTACT CENTER SERVICES*

Several of our agencies provide custom inbound and outbound contact center services for a variety of government agencies and programs, for example the U.S. Environmental Protection Agency's National Lead Information Center Hotline, the NYS Department of Labor, The NYS Accident reporting system. Each month our trained customer service specialists receive or place thousands of calls to gather critical information, collect marketing research data and provide timely response. Whether you have a single project, a long-term need, or are looking for overflow coverage during peak periods, we offer the technology, experience and customer service expertise to meet your needs.

For customers seeking contact center, help desk, inbound or outbound surveys, hotline coverage and switchboard solutions, NYSPSP has customer satisfaction scores and productivity levels that are unmatched in the contact center industry. Our agencies manage multiple state and commercial call center and switchboard operation contracts.

*INBOUND CONTACT/CALL CENTERS

- Customer support and order centers
- Switchboards or receptionist
- Hotlines
- Help desks
- Overflow, after hours & emergency support
- Available 24/7/365

CUSTOM KIT ASSEMBLY & PACKAGING*

We invite our customers to think outside the catalog! NYSPSP offers the capabilities to assemble kits – ranging from a simple dental kit with toothbrushes and toothpaste in a zip-lock bag, to hurricane preparedness kits which are packaged in heavy duty totes. We have also produced K-12 school emergency preparedness kits. Kits have been made for emergency management organizations for many disasters occurring in NYS. We tailor the kits to your needs. Current projects include local emergency response, kitchen kits, personal care kits and new baby kits. Tell us what you need a kit for and we will take it from there.

- Kitting operations across the state
- Ability to respond quickly to custom or emergency needs
- Branding/imprinting capabilities
- Emergency & disaster kits
- Medical & dental kits
- Infant Sleep kits
- Personal care kits

*OUTBOUND CONTACT/CALL CENTERS

- Telephone surveys
- Patient monitoring and follow-up
- Market research

*Contract may require NYS OGS approval(s)

CONTRACT MANAGEMENT*

Contract Management Support (CMS) services provide custom solutions for contract administration and contract closeout functions. This includes processing supporting contract actions, preparing correspondence and routine documents, expediting delivery requests, reconciling contract payments, following up on delinquencies, gathering data, and obtaining and validating filing forms to close out contracts.

- Reconciling payments and funding
- Auditing contracts for close-out

TRANSCRIPTION*

NYSPSP converts any audio content or recorded speech files into written or electronic text documents. We provide fast turnaround times in a confidential, secure environment. Transcribed files are available in any format via secure e-mail or delivery of CD or paper copies. We also have the ability to transcribe printed material to Braille.

- Experienced transcriptionists
- Audio, video or other media
- Fast turnaround times
- Confidential and secure
- Flexible rate options – by word/line or minute/hour

*May require NYS OGS approval(s)

MAILING SERVICES*

We provide mailing services, at your location or at one of our facilities. With agencies across the state we are able to provide an economical solution to meet your needs.

This includes:

- Sorting
- Verification
- Routing
- Collating
- Inserting
- Inbound & Outbound Mail

WAREHOUSING & SUPPLY CHAIN MANAGEMENT*

NYSPSP provides warehousing, distribution and inventory management services throughout New York State. Our dry and secure storage facilities are staffed by skilled warehouse personnel trained to meet your needs for accurate and reliable receiving, tracking, repackaging and shipping. We also offer the latest technology solutions including web based fulfillment and interfacing. One customer benefiting from our custom solutions is NYC's Administrative Children Services and Juvenile Justice where we warehouse and distribute clothing and personal care items to the children of NYC.

- Strategic storage, distribution and fulfillment across New York State
- Labeling and addressing
- Inventory control, reporting and management
- Packaging and sorting

ADMINISTRATIVE*

Our agencies are experienced in the latest technologies and software and provide a variety of options to meet your needs. Administrative service offerings include reception, data entry, programming, technical support, word processing, microfilming and imaging.

- Temporary or permanent basis
- Clerical, computer, document and online support
- Dependable and dedicated employees
- Specialized functions also include helpdesk and office support, mail sorting and online website support

DOCUMENT SHREDDING*

Currently NYSPSP offers document shredding services in Erie and Niagara counties and are open to opportunities across the state. Please call us first to see if we are in your area. We offer scheduled pick-ups and as-needed purges. Lockable totes are provided. Shredding meets federal standards of 5/16 inch strips, co-mingling and bailing. Shredded paper is recycled and is not sold as packing or bedding material. Notarized certificates of recycling program for paper that does not need to be shredded.

DATA/DOCUMENT IMAGING*

Data Imaging Services is the conversion of paper documents or other media including, but not limited to, microfilm and microfiche into electronic files that may be easily stored or accessed, and may include the transportation, short term storage, organization, preparation, scanning, indexing, quality control, and output of data and images to electronic media to be provided to the customer. This service may include Data Entry and Secure Document Destruction.

- Scanning
- Indexing
- Quality Control

508 ASSURANCE/ONLINE & DIGITAL ACCESSIBILITY *

NYSPSP offers services to address software, systems and website accessibility and usability conformance with Section 508 of the Rehabilitation Act of 1973 and web content accessibility guidelines. We provide conformance and usability testing, validation, and remediation services for websites, portals, applications and electronic documents.

- Confirms and audits conformance with the federal law
- Evaluates usability and performance
- Services any platform, software or application

ASSISTIVE TECHNOLOGY*

Using the world renowned OATS program, NYSPSP provides consultation, evaluation, planning, and training in the appropriate use of assistive technology for employees, organizations and corporations. We develop individual and organizational plans for the acquisition, use, and maintenance of assistive and adaptive device technology to help achieve professional and personal goals.

- Remote and on-site evaluations
- Equipment and program planning guidance
- Customized training
- Assistive technology and software solutions

Item No.	Description	Length	Packed
220	Spring Level Wet Mop	54"	12/Case

WET MOP GUIDE

Looped-end vs. Cut-end Mops

Looped-end mop heads are constructed with a continuous strand of yarn, looped at the ends and stitched with a tail band to hold the yarn strands together in a side-by-side uniform pattern. The looped ends reduce linting or shedding even under heavy laundry conditions. The tail band allows increased mopping efficiency by allowing maximum mop coverage on the floor's surface without gaps or missing spots.

Cut-end mops are functional and affordable, ideal as an economical, all-purpose mop. Great for spill pick up. Cut-end mops are considered disposable items and not an item that can be laundered. Cotton cut-end mops can lint and shed, therefore not recommended as finish mop.

Choosing the right wet mop for the job.

Cotton – Most economical value for general purpose use offering excellent absorption properties. Not recommended for repeated laundering Cotton has natural coating of Pectin and should be soaked in hot, soapy water and rinsed prior to using for spill pick up.

Rayon – Absorbs quickly, mildew resistant and dries fast. Used for finish mops due to ability to “retain and release” wax. Picks up to 6 – 7 times their weight and quickly releases onto floor.

Synthetic Blend – Offers the best qualities of cotton, rayon and polyester. Cotton for absorption, polyester for strength and longevity, rayon for high water retention.

Mop Type	General Purpose	Finishing	Launderable	Absorption	Strength/Durability
INHIBITOR	Excellent	Good	Excellent	Good	Excellent
VETERANS	Excellent	Good	Excellent	Good	Excellent
RAYON BLEND	Good	Excellent	Excellent *	Good	Excellent
SNOWITE	Good	Excellent	Excellent *	Good	Excellent
BLUE/WHITE FINISHING	Fair	Excellent	Excellent *	Good	Good
EMPIRE	Excellent	N.R.	Fair	Excellent	Good
PLAZA	Excellent	N.R.	Fair	Excellent	Good
LUXOR	Excellent	N.R.	N.R.	Excellent	Good
ECONOMY 4 PLY	Good	N.R.	N.R.	Excellent	Fair

N.R. = Not recommended

* Excellent, however

PLEASE NOTE: laundering not recommended after use with floor finishes.

WET MOP • MOP ACCESSORIES

LOOPED END MOPS

Looped-end mop heads offer prolonged life without unraveling, fraying, or linting, and provide high performance under the toughest conditions. Constructed with a 5-1/2" nylon mesh headband with six main sews and bar-tacked 5/8" preshrunk tailbands are sewn 4" from the loop bottoms to spread the yarn for maximum, even floor coverage per mopping stroke while eliminating tangling, bunching, and matting. All looped-end mops listed below can be used with all mop handles and are launderable to allow multiple uses.

Veterans Looped-End Wet Mop Head -Synthetic Blend

Veterans 4-Ply synthetic blend looped-end wet mop head. Constructed of 4-ply, recycled PET rayon, acrylic, polyester and cotton fibers. Choice of four sizes and four colors. Launderable. Handle sold separately.

CLEAN GREEN MOP • ACCESSORIES

CLEAN GREEN WITH MICROFIBER

Microfiber consists of wedge-shaped polyester filaments and a core of nylon. Made of both oil-attracting and water-attracting polymers, the fibers are woven into masses of tiny “hooks & loops.” The sharp edges of these millions of “hooks & loops” cut through dried-in stains, attracting and absorbing dirt and microparticles. The fibers are positively charged which increases the attraction of dirt which carries a negative charge. Each strand of microfiber is hundreds of times smaller than a human hair and ten times finer than silk.

SKILCRAFT® Microfiber Flat Mops

Flat mops offer rolled edge construction with full Velcro backing providing excellent cleaning properties for baseboard edges while maintaining excellent grip to frame. Blue mop is designed for wet mopping while yellow is for dry mopping. Microfiber mops provide 25-50% cost savings over traditional wet mops using less water and chemicals. Lightweight, yet durable and long lasting, will withstand heavy laundering.

Item No.	Mop Width	Color	Packed

Zep Strip Ease

Strip-Ease is a heavy-duty, deep-penetrating, low-foaming stripper designed to remove heavy build-ups of most floor finishes without the need for scrubbing. It has an environmentally-friendly, water-based formula that contains no phosphates or irritating ammonia. It is low in VOCs, and its fast action reduces time and labor. It is also removed completely and quickly with a mop or a wet vac, and leaves no residue. Strip-Ease is formulated for use on any flooring surface, particularly resilient tile.

Item No.	Description	Packed
648	Zep Strip Ease	4 Gallons/Case
648.5	Zep Strip Ease	5 Gallons Pail

Zep Burnish Boost

Zep Burnish Boost is a concentrated, water-based cleaner and gloss restorer for floors. It is capable of restoring that "wet look" to floors. This product has excellent "repairability," it provides cleaning of the finish surface of floors and repairs deep scuff marks, as well as removing black heel marks. Use of Zep Burnish Boost can eliminate the need for frequent mopping, stripping, and refinishing of floors.

Item No.	Description	Packed
637	Burnish Boost	4 Gallons/Case

Zep Greenlink Floor Finish Stripper

Zep Greenlink Floor Finish Stripper is a deep penetrating, low foaming floor finish stripper. Environmentally friendly, VOC, APE, and ammonia free formula. This product meets Green Seal's environmental standard for industrial and institutional floor care products based on its reduced human and aquatic toxicity and reduced smog production potential.

Item No.	Description	Packed
646.5	Zep Greenlink Floor Stripper	5 Gallons

FLOOR CARE • LOCKOUT TAGOUT

Zep Perimeter Baseboard Stripper

Zep Perimeter is an aerosol heavy-duty, thickened baseboard wax/finish stripper. Formulated with a blend of surfactants, builders and solvents, and thickened for better clinging action. This heavy-duty formula removes floor finish build up, dirt and tough soil from baseboards, vinyl, ceramic, rubber and terrazzo tiles.

Item No.	Description	Packed	Weight
647	Perimeter	12 Cans/Case	17 lbs

Zep Focus Floor Finish

Zep Focus is a highly durable, metal interlock, acrylic copolymer finish designed for minimal maintenance or occasional high speed burnishing. Levels well and dries quickly, allowing for rapid re-coat. Meets or exceeds slip resistance standards (when properly maintained) established by CSPA and UL as tested in accordance with ASTM D-2047.

Item No.	Description	Packed	Weight
658	Zep Focus	4 Gallons/Case	37 lbs
658.5	Zep Focus	5 Gallon Pail	47 lbs

Zep Powerhouse Cleaner & Stripper

Zep Powerhouse is a fast-acting, heavy-duty cleaner and wax stripper in a convenient aerosol. Removes tough soil and dirt from vinyl, ceramic, porcelain, stainless steel, chrome and other hard surfaces. Strips both wax and polymer-type floor finishes from all types of composition floors. Multi-directional valve allows Zep Powerhouse to be sprayed at various angles without loss of propellant spray.

Item No.	Description	Packed	Weight
636.7	Zep Powerhouse	12 Cans/Case	17 lbs

Zep Greenlink Floor Polish

Zep Greenlink Floor Polish uses a new cross-linking mechanism to achieve a low VOC, zinc and APE free formula to deliver outstanding durability and gloss. This polish has superior slip-resistance, and can be maintained with a variety of maintenance procedures such as damp mopping, spray buffing, or occasional burnishing.

Item No.	Description	Packed
663.5	Zep Greenlink Floor Polish	5 Gallon/Pail

SKILCRAFT® Gate Valve Lockout

SKILCRAFT® Lockout Tagout Devices provide the components needed to build a comprehensive lockout tagout program.

- Made of high-quality recycled materials
- Bold red color immediately alerts to danger
- Designed to support OSHA standard 1910.147
- Made in the U.S.A.

Item No.	Description
NY-202.413	Gate Valve Lockout, 1" to 2-1/2"
NY-202.414	Gate Valve Lockout, 2-1/2" to 5"

SKILCRAFT® Gate Valve Lockout

SKILCRAFT® Lockout Tagout Devices provide the components needed to build a comprehensive lockout tagout program.

Item No.	Description
53400383	SKILCRAFT® Gate Valve Lockout - 1" to 6-1/2" – Adjustable, 4 Padlocks
53400384	SKILCRAFT® Gate Valve Lockout - 6-1/2" to 10" – 1 Padlock
53400385	SKILCRAFT® Gate Valve Lockout - 10" to 13" – 1 Padlock

SKILCRAFT® Wall Switch Lockout

SKILCRAFT® Lockout Tagout Devices provide the components needed to build a comprehensive lockout tagout program.

Item No.	Description
NY-202.415	Wall Switch Lockout

SKILCRAFT® Lockout Tagout Fuse Blockout

Place SKILCRAFT® Lockout Tagout Fuse Blockout devices where fuses have been removed to prevent workplace accidents. Devices available in two capacities are made of durable plastic and accept one safety tag.

Item No.	Description
53400430	SKILCRAFT® Lockout Tagout Fuse Blockout, 4-Way
53400429	SKILCRAFT® Lockout Tagout Fuse Blockout, 2-Way

LOCKOUT TAG OUT

SKILCRAFT® Lockout Tagout Safety Padlocks

SKILCRAFT® Lockout Tagout Safety Padlocks help secure equipment and prevent accidental start-ups during maintenance and repair operations.

Item No.	Description
53400434	SKILCRAFT® Lockout Safety Padlock - 1-3/4" L x 1-1/2" W - Steel Shackle 1-1/2" H x 1/4" D
53400435	SKILCRAFT® Lockout Safety Padlock - 1-3/4" L x 1-1/2" W - Steel Shackle 3" H x 1/4" D

SKILCRAFT® Lockout Tagout Padlock

SKILCRAFT® Lockout Tagout Devices provide the components needed to build a comprehensive lockout tagout program.

Item No.	Description
202.419	Safety Padlock, 1 Keyed Different, Red, 1-1/2 inch Shackle
202.42	Safety Padlock, 1 set of 3 Keyed alike, Red, 1-1/2 inch Shackle
202.421	Safety Padlock, 1 set of 6 Keyed alike, Red, 1-1/2 inch Shackle

SKILCRAFT® Ball Valve Lockout

SKILCRAFT® Ball Valve Lockout devices prevent accidental activation and are great for a wide range of applications.

Item No.	Description
53400389	SKILCRAFT® Ball Valve Lockout – Fits Pipe Size 1-1/2" to 2-1/2" – Plastic
53400391	SKILCRAFT® Ball Valve Lockout – Adjustable Small Arm – 4.5 – Nylon & Stainless Steel
53400386	SKILCRAFT® Ball Valve Lockout – Fits Pipe Size 3/8" to 1-1/4" – Plastic
53400388	SKILCRAFT® Ball Valve Lockout – Fits Pipe Size 0.25 – 1 – Steel - 8 Padlocks
53400387	SKILCRAFT® Ball Valve Lockout – Fits Pipe Size 2" to 8" – Plasti NY-5
53400390	SKILCRAFT® Ball Valve Lockout – Adjustable Large Arm – 5.75 – Nylon & Stainless Steel

SKILCRAFT® Lockout Tagout Tags

Increase compliance with safety lockout with durable, easy to complete SKILCRAFT® Lockout Tags. Made from durable cardstock. Made in the U.S.A.

Item No.	Description	Packed
202.434	SKILCRAFT® Lockout tags	25/Box

SKILCRAFT® Lockout Safety Tags

SKILCRAFT® Do Not Operate lockout safety tags made from 0.055" thick plastic with a reinforced brass grommet. Tags are red striped with white box.

Item No.	Description
53400403	SKILCRAFT® Lockout Safety Tag – Out of Service
53400408	SKILCRAFT® Lockout Safety Tag – Do Not Use This Forklift
53400409	SKILCRAFT® Lockout Safety Tag – Forklift Inspection
53400405	SKILCRAFT® Lockout Safety Tag – Only Person Listed Can Remove
53400406	SKILCRAFT® Lockout Safety Tag – Self-Laminating
53400404	SKILCRAFT® Lockout Safety Tag – Do Not Operate w/Stop Sign
53400407	SKILCRAFT® Lockout Safety Tag – Self-Laminating w/Photo
53400402	SKILCRAFT® Lockout Safety Tag – Do Not Operate
53400410	SKILCRAFT® Lockout Safety Tag – Equipment Locked Out – Perforated w/Stub

SKILCRAFT® Lockout Tagout Hasp

SKILCRAFT® Lockout Tagout Hasp secures switches, valves and other energy devices from use while equipment is being serviced. Lockout Tagout Devices provide the components needed to build a comprehensive lockout tagout program.

Item No.	Description
53400398	Lockout Tagout Hasp
202.411	Lockout Hasp, 1 inch Steel with tabs
202.412	Lockout Hasp, 1.5 inch Steel with tabs

SKILCRAFT® Cable/Valve/Hasp Lockout Device

SKILCRAFT® Lockout Tagout Devices provide the components needed to build a comprehensive lockout tagout program.

Item No.	Description
202.418	SKILCRAFT® Cable/Valve/Hasp Lockout Device

SKILCRAFT® Multipurpose Squeezer Cable Lockout

SKILCRAFT® Multipurpose Squeezer Cable Lockout features a durable plastic body with 3-inch dielectric nylon cable. The 6- x 2- x 1-inch lockout.

Item No.	Description
53400399	SKILCRAFT® Multipurpose Squeezer Cable Lockout

SKILCRAFT® Small Plug Lockout with Label

SKILCRAFT® Lockout Tagout Devices provide the components needed to build a comprehensive lockout tagout program.

Item No.	Description
202.416	SKILCRAFT® Small Plug Lockout with Label

SKILCRAFT® Universal Multi-Pole Circuit Breaker Lockout

SKILCRAFT® Lockout Tagout Devices provide the components needed to build a comprehensive lockout tagout program.

Item No.	Description
202.423	Universal Multi-Pole Circuit Breaker Lockout

SKILCRAFT® Breaker Lockout

SKILCRAFT® Breaker Lockouts offered in three voltages, sizes, and measurements accommodate one padlock with shackles up to 9/32-inch.

Item No.	Description
53400393	Breaker Lockout – Clamp-on w/Cleat – 480/600V
53400394	Breaker Lockout – Oversized w/Cleat – 480/600V
53400392	Breaker Lockout – Clamp-on w/Cleat – 120/277V

SKILCRAFT® Universal Single Circuit Breaker Lockout

SKILCRAFT® Lockout Tagout Devices provide the components needed to build a comprehensive lockout tagout program. 3 per box.

Item No.	Description
202.422	SKILCRAFT® Universal Single Circuit Breaker LO

SKILCRAFT® Lockout Steering Wheel Cover

SKILCRAFT® Lockout Tagout Steering Wheel Cover provides a clear warning with legend that reads "Danger Do Not Start or Move Vehicle".

Item No.	Description
53400433	Lockout Tagout Steering Wheel Cover – 24"
53400432	Lockout Tagout Steering Wheel Cover – 20"
53400431	Lockout Tagout Steering Wheel Cover – 16"

SKILCRAFT® Large Plug Lockout with Label

SKILCRAFT® Lockout Tagout Devices provide the components needed to build a comprehensive lockout tagout program.

Item No.	Description
202.417	SKILCRAFT® Large Plug Lockout

SKILCRAFT® Push Button Lockout

Place SKILCRAFT® Push Button Lockout devices provide a safe and effective method for locking out emergency push buttons.

Item No.	Description
53400400	SKILCRAFT® Push Button Lockout – 4" x 4" x 2.25"
53400401	Push Button Lockout – 5" x 3.2" x 3.5"

Provide basic information and easy access to Safety Data Sheets (SDS) with this Globally Harmonized System (GHS) Information and Safety Data Sheet Center.

Item No.	Description
GHS0357	Information and Safety Data Sheet Center Kit

TAPE - PACKING, UTILITY, BOUNDARY • MACHINE, ENGINE, AND VEHICLE CARE

A. Utility Grade Packing Tape

High performance crystal clear packaging tape used for closing or sealing corrugated fiberboard boxes and features pressure sensitive acrylic adhesive coated onto a backing material. Bi-oriented polypropylene (BOPP) backing, hot melt adhesive, resists tears and splits. Primary uses include carton sealing, splicing, bundling, and other general purpose packaging applications.

B. Industrial Duct Tape

Everyone's favorite fix-all duct tape. Industrial grade, high-strength, all-temperature tape, great for most sealing and securing needs. Built of polyethylene film laminated to cloth with a rubber adhesive, this commercial-grade duct tape resists curling and tears easily off the roll. Tape can be removed with little or no residue. Ideal for weatherproofing, HVAC repair, and duct work.

C. Blue Painters Masking Tape

Premium painters tape is used to mask off areas while applying paint, varnish, stain, and many other finishes. Medium adhesion removes cleanly without adhesive transfer or surface damage for up to 14 days, even in direct sunlight. Our blue painter's tape is thick enough to ensure that the paint won't wick under it. Its strong adhesive keeps it in place, sealing its edges as well to efficiently prevent paint bleed

Item No.	Width	Description	Packed
A.638.5.3	1.9-mil 2-inch	Packing Tape - 55 yards per roll	12/Case
A.638.5.4	3.1-mil 2-inch	Packing Tape - 55 yards per roll	12/Case
B.638.2.2	3 inch core	Industrial Duct Tape - 180 ft rolls	12/Case

Zep Best Dressed Protectant

Zep Best Dressed is a water-based surface protectant for use on vinyl, leather and rubber surfaces on vehicles. Provides protection from ozone, ultraviolet rays and oxygen that crack, dull or harden surfaces. Formulated with environmentally-preferable ingredients to quickly penetrate and leave a high gloss on most hard surfaces. Enhances the appearance of tires, trim and other exterior vinyl or rubber.

Item No.	Description	Packed
651.1	Zep Best Dressed	4-Gal/Case
651.5	Zep Best Dressed	5 Gallon Pail

Zep Soy Power Degreaser

Zep Soy Power is an liquid, self-emulsifying, heavy-duty degreaser consisting of a blend of aromatic solvent, surfactants, emulsifiers, and a soy-based solvent, a renewable resource. It will quickly emulsify grease, oil, tar, and dirt from metal surfaces, engines, equipment, and machinery. Soy Power will rinse freely with water. Its low VOC formulation meets the requirements of State and Federal VOC regulations.

Item No.	Description	Packed
647.5	Zep Soy Power	5 Gallon Pail

Zep Split Vehicle Wash

A heavy-duty truck and trailer wash with unique detergents that effectively remove soils from surfaces, then releases them from the water into an oil/water separation system prior to discharge or water reuse. Contains no phosphates, caustics, acids or solvents, and promotes easy separation of oil and grease from discharge water. Synthetic, biodegradable detergents rinse freely and completely to help eliminate streaking.

Item No.	Description	Packed
657SVW	Zep Split Vehicle Wash	5 Gallon Pail

Zep Formula 15282

Zep Formula 15282 is a low-foam cleaner and degreaser for use in recirculating spray cabinets and hot vats. Unique buffering system prevents damage to sensitive metals, such as aluminum, but is powerful enough to remove tough soils from ferrous metal surfaces. Rinses quickly, leaving no residue. Can be used on a wide range of metallic items. Use in hot tanks or in recirculating spray cabinets. Low-foam detergents provide excellent wetting action and allows use with severe agitation.

Item No.	Description	Packed	Weight
635	Zep Formula 15282	100 lb Drum	105 lbs

Zep Blue Marvel Detergent

Zep Blue Marvel is an economical, concentrated and high-foaming liquid detergent formulated for brush car and truck wash facilities. It contains a blend of heavy-duty synthetic detergents, emulsifiers, foam boosters, synergists and water-soluble lubricants. The cleanser is biodegradable and phosphate-free. It removes road film, winter salt deposits and heavy soil, and will not damage or strip commonly used vinyl top dressings or vehicle finishes. Blue Marvel emits no unpleasant odors after extended service-life in reclaim-type operations and will not irritate the skin, eyes or respiratory tract.

Item No.	Description	Packed	Weight
650.1	Zep Blue Marvel	4 Gallons/Case	39 lbs
650.5	Zep Blue Marvel	5 Gallon Pail	47 lbs
650.55	Zep Blue Marvel	55 Gallon Drum	499 lbs

FACILITY MAINTENANCE SUPPLIES

MACHINE • ENGINE • VEHICLE CARE

Zep Carburetors Spray

Zep CARB SPRAY will clean your carburetors and remove dirt, gum, varnish deposits and other solid material making your engine hard to start. This product will free sticky valves, stuck heat risers and throttle linkages. Zep Carburetor Spray does not contain lead or silicone - it will not harm oxygen sensors, catalytic converters or fuel injectors. Use Zep Carb Spray periodically on cars, trucks, boats, lawnmowers, and other vehicles to keep your fuel systems clean, efficient and trouble free. High pressure blast spray. Restores lost air flow. Cleans carb, choke, linkage, heat riser, throttle plate & PCV valve. Quickly dissolves & removes harmful gum, carbon & varnish deposits.

Item No.	Description	Packed
652.7	Zep Carb Spray	12 Cans/Case

Zep Enviroedge Truck Wash

Zep Enviroedge Truck Wash is a premium liquid truck and trailer wash designed to remove exhaust deposits, road film and bug residues from painted vehicle surfaces. Formulated with environmentally preferable ingredients to quickly penetrate and loosen soils without compromising cleaning ability. Works in one application without brushing. Highly concentrated formula dilutes up to 1 oz per gallon.

Item No.	Description	Packed
657.55E	Enviroedge Truck Wash	55 Gallon Drum
657.5E	Enviroedge Truck Wash	5 Gallon Pail

Zep-O-Shine Car Wash

Zep-O-Shine is a premium-grade, concentrated car wash. The product contains a high concentration of synthetic detergents, wetting agents, foam stabilizers and water softeners. It effectively cuts through even the most stubborn of soils, leaving behind a waxed, shiny like-new surface. It also contains a new polymer wax emulsion which weatherproofs and leaves a glossy finish on the car.

Item No.	Description	Packed
656	Zep-O-Shine	4-Gal/Case
656.5	Zep-O-Shine	5 Gallon Pail

Zep TNT Truck & Trailer Wash

Zep TNT is a liquid truck and trailer wash formulated to remove exhaust deposits, road film and bug residues from painted vehicle surfaces in one application without brushing. It contains no phosphates, caustics, acids or solvents, and its synthetic, biodegradable detergents rinse fully to eliminate streaking. It can be applied with high or low pressure and in hot or cold water.

Item No.	Description	Packed	Weight
657.5	Zep TNT	5 Gallon Drum	46 lbs
657.55	Zep TNT	55 Gallon Drum	502 lbs

A.

B.

Zep Linebacker Aerosol

Zep Linebacker is a ready-to-use long-term corrosion protection film in a solvent-based aerosol form. It dries to a durable, flexible and non-tacky film. The coating can be easily removed with a safety solvent degreaser when desired. Provides an impenetrable film barrier which protects against corrosion, even in severe outdoor applications. Resists heat, rain, snow, salt water and many corrosive industrial atmospheres.

Item No.	Description	Packed
A.682.6	Zep Linebacker Aerosol 20 oz cans	12 Cans/Case
B.634.42	Zep Linebacker Bulk	Each

Zep Ultra Low VOC Brake Cleaner

Zep Ultra-Low VOC Brake Cleaner cleans your brake parts without depleting the ozone or using chlorinated solvents. This powerful brake cleaner spray easily removes brake fluid, grease, oily dirt and contaminants from linings, pads and drums, cylinders and springs without disassembly. In addition, you can use our Ultra-Low VOC Brake Cleaner to degrease equipment, tools and miscellaneous metallic parts.

Item No.	Description	Packed
652.6	Zep Ultra Low VOC Brake Cleaner	12 Cans/Case

Zep Protect-All

Zep Protect-All Surface Protectant is a water-based surface protector that beautifies as it revives, imparting a delicate gloss and renewing old or worn surfaces. It contains no harmful solvents and protects surfaces from ozone, ultraviolet rays and oxygen which can crack, dull, harden or rot materials.

Item No.	Description	Packed

DENTAL • BEDDING

Ultra Flexible Security Toothbrush

This innovative brush was designed for jail or prison intakes and for short term sentences, or pre-trial detainees. The OraLine Secure Care Flexible Security Toothbrush is designed to bend at 90 degrees and return to its original position.

The rubber toothbrush design deters the toothbrush from being sharpened into a point, or shank. The handle has been shortened to inhibit it from being melted down and used as a weapon. Made with pliable plastic and rubber thumb grips for controlled brushing. OraLine Secure Care Products introduces the fully flexible security toothbrush for use in high turnover facilities.

Item No.	Description	Packed
A.90.1	Ultra Flexible Security Toothbrush - Short term	720/Case
B.90.3	Ultra Flexible Security Toothbrush - Long term	720/Case

Flexible Crossover Maximum Security Toothbrush - Full Head

This brush features a two component design and offers a full head. It is made with pliable plastic and flexible rubber in the handle (offering two different melting points) therefore, making it difficult to burn down and/or scrape into a shank. High quality end rounded, polished nylon bristles, provide the best long term value in a prison inmate toothbrush. Offered in two colors, green or purple. The OraLine Secure Care 4" Crossover Flexible Security Toothbrush was made specifically for use in the correctional environment.

Item No.	Description	Packed
90.6	Flexible Crossover Maximum Security Toothbrush - Full Head	Case

Full Handle Flexible Toothbrush

The Full Handle Flexible Toothbrush is designed for individuals in institutional settings who are unable to brush effectively with the reduced handle options. 41 tuft head with nylon bristles. Made with flexible plastic, this handle will bend without breaking, providing a safe brush option with traditional performance. Ideal for hospitals and institutions.

Item No.	Description	Packed
90.4	Full Handle Flexible Toothbrush	144/Case

Silicone Finger Security Toothbrush

Preventative oral care in institutional settings such as corrections or behavioral health can be both challenging and hazardous. Security toothbrushes support effective oral care as well as officer and inmate safety. Designed to provide maximum safety this brush is weapon-proof and effective in high security or suicide watch locations. Made with 100% silicone. Provides the ultimate in safety at an aggressive price.

Item No.	Description	Packed
90.5	Silicone Finger Security Toothbrush	1000/Case

PERSONAL CARE

Oraline Secure Care Disposable Razor

Designed for inmate use with safety in mind, the Oraline Secure Care Disposable Razor is made with minimal structural plastic handles, this razor features a reduced blade and a redesigned hard cover to highlight possible tampering and alert staff to potential dangers. The OraLine Secure Care Razor is designed to bend slightly using pliable plastic, making it difficult to melt down in to a point, therefore, preventing the razors handle to be used as a shank. The red hard cover weld design reduces tampering by making it impossible to remove the blade without destroying the blade housing. Full razor head provides the same shave as other disposable razors.

PERSONAL CARE SUPPLIES

Remedy Phytoplex Nourishing Skin Cream

Phytoplex nourishing skin cream helps restore skin's natural moisture balance and barrier properties. Formulated without mineral oil or other petrochemicals to remain breathable, making it ideal for use on hands, face and body. Absorbs readily into the skin upon application with no greasy residue. Moisturizes with a blend of natural emollients including safflower oleosomes and carrageenan. Enhanced with Phytoplex, additional botanicals and essential fatty acids. CHG compatible.

Item No.	Description	Packed
192.5	Remedy Phytoplex Nourishing Skin Cream - 4oz	12/Case

Remedy Hypoallergenic Phytoplex Hydraguard Silicone Cream

Silicone-rich formulation creates a breathable, water-resistant film over skin as it moisturizes and nourishes; 24% silicone blend helps resist moisture loss. Appropriate for perineal care since it forms a water-resistant film over skin. Reduces the appearance of red, cracked and scaly skin while soothing dry, itchy skin. Rich in oleosomes: naturally encapsulated safflower oils that release over time. Gentle enough for use on the most fragile skin, suitable for diabetics and geriatrics.

Item No.	Description	Packed
192.3	Remedy Hypoallergenic Phytoplex Hydraguard Silicone Cream	12/Case

Remedy Phytoplex Barrier Cream Cloths with Dimethicone

Premoistened with barrier cream to help clean, moisturize, protect, and nourish skin in one step. Protection for delicate skin with 3.6% dimethicone active ingredient. Paraben free and hypoallergenic. Gentle, soft and soothing. CHG compatible. Premoistened with barrier cream to help clean, moisturize, protect, and nourish skin in one step.

Item No.	Description	Packed

FitRight Ultra Incontinence Briefs - Moderate Absorbency

Basic disposable briefs have 4D-core with odor protection that wicks away fluid to help promote dryness and maintain skin integrity. Soft, cloth-like outer cover doesn't crinkle like plastic; back sheet provides a discreet and comfortable garment-like fit and feel. Unlike incontinence underwear, these adult diaper briefs with tabs have skin-safe closures that can be repeatedly repositioned and refastened for a snug fit. Wetness indicator changes color to let you know when to change brief. Moderate absorbency for total incontinence protection.

Item No.	Description	Packed
587.3	Brief, Clothlike, FitBasic, MD, 32" - 42"	100/Case

FitRight Stretch Ultra Incontinence Briefs with Center Tab - Heavy Absorbency

Designed with flexible stretch panels for a comfortable fit and ease of use for staff. The ultra-level core provides moderate to heavy absorbency. Soft antileak guards offer excellent containment. One center tab makes these briefs easy to pull on. Two stretch zones offer strength while the large back panel provides back side coverage and a good fit.

Item No.	Description	Packed
584.1	Brief, Clothlike, FitStretch, MD/REGULAR	8/Case
584.2	IBrief, Clothlike, FitStretch, LG/XL	8/Case

Extended Wear High-Capacity Adult Incontinence Briefs - Overnight/Max Absorbency

These feature a high-performance extended wear core designed to keep patients dry and protected for long periods. Breathable film allows airflow to promote an optimal microclimate for the skin, and soft antileak guards offer

protection and containment. Discreet ID system allows caregivers to easily identify the correct size, and provides a more dignified appearance for the wearer. Moisture alert wetness indicator smears and disappears when the garment has been soiled.

Item No.	Description	Packed
594.3	Adult Incontinence, Briefs, Extended Wear, Medium 27-43"	60/Case
594.4	Adult Incontinence, Briefs, Extended Wear, Large 41-59"	60/Case
594.5	Adult Incontinence, Briefs, Extended Wear, X-Large 57-65"	60/Case

FitRight 3XL Cloth-Like Disposable Brief - Heavy Absorbency

Designed to meet the needs of bariatric patients. High capacity core and dryness layer keep moisture away from the skin to protect against wetness, while the wetness indicator displays

when a brief change is needed. Soft, cloth-like outer cover provides a more natural feel. Stretchable side panels help provide a proper, comfortable fit. Skin-safe tabs allow for multiple re-fastenings.

Item No.	Description	Packed
594.21	FitRight 3XL Cloth-Like Disposable Brief - Heavy Absorbency	48/Case

FitRight Super Adult Incontinence Underwear - Heavy Absorbency

A body-contoured anatomical design, SensiSoft fabric, soft antileak guards and a super absorbency core. The acquisition and dryness layer wicks moisture away from the skin and into the core for ideal dryness and leakage protection; linear

embossing technology distributes fluid throughout the core for exceptional dryness and containment. Elastic leg gathers help prevent leaks. Size printed on the backsheet identifies product size for a better fit and improves ease of care. Maximum absorbency for light to moderate urinary/bowel incontinence.

Item No.	Description	Packed
592.3	Underwear, Protective, Super, Medium, 28-40 inches	80/Case
592.4	Underwear, Protective, Super, Large, 40-56 inches	80/Case

MAILING LABELS & SUPPLIES • FOLDERS

SKILCRAFT® Sealed Air Jiffylite® Bubble-Lined Mailer

Bubble-lined mailers provide excellent cushioning protection for semi-fragile items. Fully laminated Kraft and air cellular construction makes it puncture and water-resistant. Printable double Kraft material is used on the outside of each mailer. Self-adhesive flap closure extends the entire width of the envelope and requires no moistening to seal. Seamless bottom affords additional cushioning protection along with greater overall strength and safety. Made from 100% recycled paper with 10% post-consumer content. Bubble cushioning contains 10% recycled plastics. Produced using quality materials from Sealed Air.

SAFETY APPAREL • CHEMICAL RESISTANT GLOVES

Public Safety Vest

This is a full breakaway vest. If the vest should become snagged, it will break away leaving the wearer unharmed. Ideal for fire/police or other departments. Fire retardant treated. NYS DOT approved for use where the zipper vests can't be used. These garments are Non-FR. They are treated for flame resistance under ASTM D6413. They do not meet ANSI/ISEA 107-2015 SECTION 10.5 requirements, they should not be used for fire protection in situations such as arc welding, electrical work, for protection against flame hazards, firefighting, or flash fire.

Item No.	Description	Size
710	Public Safety Vest	One Size Fits All
710.1	Public Safety Vest	Oversized

Chilly Grip® Palm Coated Glove

The Chilly Grip® heavyweight seamless blue thermal knit liner keeps hands warm in frigid conditions. Textured heavyweight blue rubber coating provides excellent grip in wet or dry conditions. Form fitting design enhances comfort and provides more dexterous finger and hand movement than traditional lined leather gloves. Snug fit wrist helps keep dirt and debris out. Ideal for a wide range of multi-purpose cold weather or freezer applications.

Item No.	Description	Size
797.3	Chilly Grip Natural Rubber Dipped Work Gloves - Blue	Medium

PowerTouch® Nitrile Coated Palm Work Glove

These PowerTouch® gloves are coated with nitrile, a co-polymer of acrylonitrile and butadiene. A synthetic version of latex (but does not contain the latex proteins) that is strong, does not cause allergic reaction and therefore has a wider range of applications. It offers excellent resistance to punctures and tears and stands up well to oil. Breathable 13 gauge nylon shell wicks away moisture keeping hands cool and dry. These gloves are made to protect against certain hazards applicable to cold storage applications, commercial fishing, agriculture, and construction.

Item No.	Description	Size
126.3	Nitrile Coated Palm Work Glove	Medium
